

Conduct Policy

The Brimfield Public Library District is dedicated to providing access to knowledge and information through reading, writing, and quiet contemplation, providing patrons the right to use materials and services without being disturbed or impeded, and providing patrons and employees a secure and comfortable environment. The Public Library Act provides the Board of Library Trustees with the general power to carry out the spirit and intent of the Act in establishing and maintaining the library and providing library services and the specific power to "exclude from the use of the library any person who willfully violates a policy or regulation prescribed."

The Board of Library Trustees of the Brimfield Public Library District establishes its conduct policy as follows:

Section 1.

A patron who engages in any activity which disrupts the use of library facilities, collections, or services by patrons or disrupts the ability of the staff to perform its duties shall cease such activity immediately upon request by library personnel. Examples of disruptive include, but are not limited to, inappropriate images displayed on computers, use of tobacco products, use of e-cigarettes, loud talking or yelling, verbally abusive language and/or attitude.

Section 2.

In such instances involving minors, identification will be requested, and the incident may be reported to the parent/guardian or police.

Section 3.

If, following a request the patron fails or refuses to comply or responds to the request in an abusive fashion, they will be required to leave the library premises immediately for the balance of that calendar day. If they fail to leave, the police will be summoned.

Section 4.

Library personnel will record instances in which patrons are required to leave the library in a report maintained by the library for that purpose. Upon the second recorded instance in which a patron is required to leave the library premises within a thirty-day period, the Director shall bar the patron from use

of library premises for a period of thirty days. Parents or guardians of minors will be notified in writing after the second recorded instance in which a minor is required to leave the library and advised of the consequences of any further instances.

Section 5.

Parents wishing to appeal such action may do so upon written request to the Board of Library Trustees.

Section 6.

In the event a patron barred from the use of the library attempts entry to the library during any such period of exclusion, the police will be summoned and informed of the prior action.

Section 7.

In the event the patron persists in abusive conduct or disruptive behavior following such a period of exclusion, the Director shall report to the Board of Library Trustees such conduct following prior exclusion and the Board will consider a long-term exclusion of that patron.

Section 8.

This policy shall take effect immediately upon enactment and approval by the Board of Library Trustees according to law and be in full force and effect thereafter.
