 No. P3200 "Already Cut" and Fitted

THE HAMILTON bungalow fulfills all the promises of its handsome exterior. It is just as up to date and has as many good features in the interior. Just a glance at the floor plan will reveal the excellent arrangement of the rooms. Then, again, the interior views on the opposite page show how tastefully one can furnish this home. Truly the Hamilton is a model for appearance, convenience and price. Of course, the material and construction are "Honor Bilt."

Land records available from the Peoria County Courthouse. Janet Bledsoe researched for Barb Sandall.
